On behalf of the Scientific Committee of the *XVIII International Symposium on Mathematical Methods Applied to the Sciences* (SIMMAC), that will take place in San José, Costa Rica, February, 21-24, 2012, I am pleased to inform you that your communication:

“Analyze and review of mathematical programming methods applied in water resources systems optimization”

has been accepted for presentation in the Symposium.

Please, consult the instructions for the authors at the website <http://www.cimpa.ucr.ac.cr/simmac/>, for the final version of your communication. This abstract should be sent by January 6th, 2012 to the Chairman of the Scientific Committee, simmac.cimpa@ucr.ac.cr. The abstract must fulfil the following conditions:

- In Latex 2e, following our format
- Complete title
- Complete names of the authors
- Complete E-Mails of all authors
- Country and university of the authors
- Keywords in English (keywords in Spanish are optional).

The one who presents the communication at the SIMMAC should be the first author.

In case you send us the abstract in another format (PDF, Word, text,...), we would translate it into LaTeX if you pay a fee of US\$10 (payable with your registration).

Those authors willing to publish the complete article should bring it to the SIMMAC in digital and paper (3 hard copies), with a maximum of 10 pages. Please, follow the rules indicated in our website.

We would appreciate it if you can confirm your attendance in the Symposium no later than January 10th, 2012. Please follow the registration instructions at our website.

Sincerely yours,

Mario Villalobos
Scientific Chairman
XVIII SIMMAC
